

Northwest Chicago Water Polo

(via the Palatine Park District)

NWC Fall 2011

Water polo is fun, fast paced, exciting game that anyone can learn. All athletes at every level are welcome.

Fall play is an opportunity for players to improve or learn the sport for the first time. Both levels will practice as follows below **and** provide opportunities for participation in a fall league. Participation in the league is optional but strongly encouraged as games provide the best learning and training experiences. League play will have additional costs (around \$20-\$40 per athlete) and an additional schedule (games will usually occur during the weekend) with all details to be determined once the fall season begins. Most players learn water polo in high school so any extra playing time is extremely valuable.

AGE GROUP (ages 8-14)

New players will learn the game of water polo through drills and scrimmage. The NWC age group team will also intend to compete in a Chicago-area fall league.

When: Sept. 12th – Nov. 16th M-W 8 – 9pm

Cost: \$100 resident / \$125 non-resident (but future D211 student) / \$150 non-resident

Where: M/W- Palatine H.S.

TU- Hoffman Estates H.S.

How to register: Register through the Palatine Park District by calling (847) 991-0333 or register online at www.palatineparkdistrict.com/online.html. Course code **#7600-3**.
