

1	2	3	4	5	6
7	8	9	10	12	14
15	16	18	20	21	24
25	27	28	30	32	35
36	40	42	45	48	49
54	56	63	64	72	81

You can only use the #s 1-9.

One team starts by picking 2 #s out of that range.

Multiply those #s and that becomes your spot.

The next team must use one of the 2 previously used #s and pick one new #. If the new # is 5 you can also pick 5 again to get 25.

You must connect four in a row.
