The main essence of music is **PERFORMANCE**. Make sure you get the full, enjoyable experience of choir by being absolutely sure you are conflict-free for dress rehearsals and concerts with which you are involved. Please exercise forethought and notify employers, coaches, etc. about any conflicts! There is a form available on the webpage for you to download, fill out, and take to employers explaining these conflicts.

If you miss a boldfaced event because of a Family Emergency or **Significant** Illness (no weaky sicky), you will be given an alternate assignment to make up the points. Missing for Work, Doctor's/Ortho Appointments, Therapy/Counseling Sessions, Private Lessons, etc. will result in a loss of those points. This policy is not meant to be punitive, but being an artist involves making sacrifices and being collaborative.

Parents should contact Mr. Green **at least 1 month** in advance to discuss an irreconcilable conflict. **YOU** need to tell your parents to do this!
