

## **Attention Freshmen Parents!**

It is our pleasure to invite you to our first “**Coffee with the Counselors**” on **Wednesday, December 2<sup>nd</sup>, 2009**, which will begin promptly at **7:00 a.m.** and last for one hour in the College and Career Corner of the Media Center. The topic of discussion will be the Freshman Four Year Plan, along with discussion of Career Cruising, an internet-based career/college exploration tool. We’d like to share with you the activity we did with your son/daughter on November 6<sup>th</sup>, and we will be happy to answer any questions you might have. As a result, it is our hope that you will be actively involved in planning with your student the classes that he/she will need to take over the next four years in order to attain his/her post high school educational goals. Career Cruising can be accessed from school, from home or wherever your student has access to the internet with the following information:
