Have you heard  
about the great things  
the Viking Booster Club  
has been doing?

It has been an exciting year so far with several successful social events and fundraising activities! In addition, we have provided volunteers for several events through our Hospitality and Concession Committees and hosted another great evening honoring our fall athletes at the Sports Awards Program. The commitment of our parent volunteers has created the strongest parent club in our district.

One example of what sets us apart from other booster clubs is our commitment to our major fundraiser held each November. This year, our 17<sup>th</sup> Annual Dinner Dance, Raffle and Auction was another great night! Due to the generosity of our attendees, we were able to raise funds to help support many different clubs and activities that will benefit the entire student body!

This year's hard-working Dinner Dance committee, did an awesome job of organizing a wonderful fundraising event and deserves our thanks for countless hours of work. Their commitment and dedication to our premier event is truly amazing!

*The success of the  
Viking Booster Club  
reflects the  
combined efforts  
of all our  
Fremd families...*

*Thank you!*

A sincere thank you to those of you that attended the 17<sup>th</sup> Annual Dinner Dance, purchased raffle tickets and auction items, and made tax deductible donations to the Fund A Need effort for the Fitness Center. It is not too late to make a contribution to help us reach our goal by year end. This money will go directly to the center which benefits all of our Fremd students.

Time...Talent...Treasure... I personally wish to thank all of you for volunteering for our Concession Stands, the Spirit Shop, Annual Book Fair, Dinner Dance and the upcoming Holiday Craft Fair - we couldn't do it without you. Thank you to those families who have joined Boosters this year, and if you haven't done so already - it's not too late - and so easy to do on our webpage or by using the membership form on page 9.

The success of the Viking Booster Club reflects the combined efforts of all our Fremd families. I invite you to become involved now and make your student's experience at Fremd the best it can be.

Best Wishes  
for a  
Happy Holiday Season!

*Cathie  
Hutmacher*

# Thank You!

Thank you, Fremd Viking Booster Club!

On behalf of the Fremd Boys Swimming and Diving Team, I would like to take this opportunity to thank the Fremd Boosters for their generous support in purchase of the new pool scoreboard. Every day, every practice, and every meet, our new scoreboard is being used. This new board gives us more opportunities to individualize sets, practices, and meets than we ever had before. During workouts, we can have ten different sets running at the same time, whereas in the past, we were limited to six or seven. At meets, our spectators, coaches, and athletes know exactly what event is in the water, what swimmers are in the water, and the individual splits from different parts of the races; all things that were never possible with our old scoreboard. Within the Boys Swimming and Diving Team alone, the scoreboard is affecting over eighty student-athletes and four coaches per day. This does not include the many other student-athletes making use of the new scoreboard in other aquatic programs here at Fremd. Please trust that your investment in the aquatic programs is being thoroughly used and very much appreciated.

With every use of that board, we are continually thankful for the support we have received from the Fremd Boosters. Your graciousness has given our athletes and coaches the tools necessary to build the strongest programs possible and to build the strongest student-athletes as possible.

Our deepest thanks for all your efforts and support,

The Fremd Boys Swimming and Diving Coaching Staff

Dear Booster Club,

On behalf of the Valhalla yearbook staff, I would like to say a big THANK YOU for purchasing a new camera lens for the yearbook club this year. We received the lens in September, and it was immediately used by our student photographers to capture pictures of sports and events around the school. It was also used at the homecoming pep assembly, as well as various other homecoming activities, to capture a lot of pictures of students in action. Our students will have a much richer journalism experience due to your generosity.

We truly appreciate your support of our club, as well as the many things you do to support a variety of clubs, sports and academics in and around Fremd High School.

Thanks again,  
Karen Clindaniel  
Head Yearbook Sponsor

Dear Fremd Boosters,

The chemistry teachers would like to thank you very kindly for honoring our request of purchasing new balances for our chemistry classrooms. We appreciate your thought and consideration in making this choice. Our chemistry students will greatly benefit from this new equipment as they experience first hand how to measure mass — just one of many exciting discoveries!

Our thanks,  
The Fremd  
Science Teachers

Dear Viking Boosters,

We cannot thank you enough for your generous donation to the Fremd Music Department. The Adams timpani you gave to use are replacing a set which is over 18 years old. They produce a rich tone, and the advanced tuning system will help our percussionists perform their best during all rehearsals and concerts with the Fremd bands, orchestra and choirs for many years to come.

Sincerely,  
The Fremd Music Department

Dear Boosters,

*We truly are blessed to have such a generous organization within our school. Thank you so very much for granting our wish! There are so many wonderful things our club can do! We had over 20 members at our first meeting! We are looking forward to a fantastic school year.*

*Thank you!*  
*Ms. Katie Fedota & the FHS Culinary Club*

# November 12<sup>th</sup> ... was a good, good night!

17<sup>th</sup> Annual Dinner Dance, Raffle, and Auction

November 12<sup>th</sup> was definitely a good, good night. Over 200 parents, faculty, and friends attended the 17<sup>th</sup> Annual Dinner Dance at Meridian Banquets. The evening was a huge success and fun was had by all. The \$10k raffle was shared by 3 lucky winners in the form of a \$2k prize, a \$3k prize and a \$5k prize.

There were many wonderful auction items donated by families and businesses from the Fremd area. Highlights of the live auction items included a variety of fabulous vacations and getaways, a private dinner party for eight guests and a symbolic flag that was flown over Pearl Harbor. The most sought after items were the Fremd parking passes! Silent auction items included a variety of sports memorabilia from professional and Fremd teams which were

won by a lucky few. Our Fremd Treasures category continued to offer unique one of a kind items that were truly "treasured". We also had a "bidding frenzy" where many different gift cards to various local retail stores, restaurants and our own Spirit Shop were auctioned off.

The evening also include music at the end of the Live Auction provided by Dance Party Djs that rocked the house and kept us moving to the beat! Many businesses also donated to this year's Dinner Dance success by purchasing an advertisement for the program book.

The money raised at Dinner Dance will be used towards purchasing items on this year's wish list from clubs and sports teams, subsidizing our popular Post Prom event in June 2012, and supporting the Boosters

scholarship program. All Fremd students will benefit from the generosity of the advertisers, donors and attendees of Dinner Dance.

Thank you to the Dinner Dance Committee, the rest of the Booster Board, the volunteers, faculty, family, friends and businesses that all worked very hard this year to make our premier annual event a success. It really does take a whole community to make Dinner Dance a success!

## **Fund A Need Campaign**

Since 2009, District 211, The District 211 Foundation and the Fremd Booster Club have been securing funds to create an up-to-date fitness center for our PE and Athletic Departments that will be available to all Fremd students. To upgrade our current fitness center, over \$100,000 has been needed. This year's goal is to increase the functional training and weight training equipment/offersings. Please consider making a tax deductible donation to our Fund A Need Campaign by using the Fund A Need Form on page 6. Many companies often make matching donations. Please check with your company about making a matching donation to the Fitness Center Fund.

## 2011-2012 Fund A Need Donation Supporting the Fitness Center at Fremd High School

*"The goal is to provide all Fremd students with a state-of-the art Fitness center that can be used all year around. Currently, we are in the process of increasing our functional training and weight training equipment/offerings for both PE and Athletics. The long-term goal is to create, through renovations of current facilities, one all-inclusive facility that will be used before, during and after school by everyone."*
