Happy Birthday, Fremd! The Viking Booster Club would like to wish Fremd High School and all of its administrators, teachers and staff a very happy and fun-filled 50th birthday.

The mission of the Viking Booster Club is to raise funds to support the entire student population of Fremd High School which includes academics, athletics, cultural clubs and many other activities. We are a parent run organization devoted to supporting activities not funded through the school's operating budget.

Thanks to the countless volunteer hours spent this last year, and the generosity of our donors, funds totaling \$150,000 were awarded to Dr. Small, our school principal, this past June to use for the school's Wish List. Please stop by the Viking Booster Membership Table in the school's main hallway during Open House on Thursday, September 15. There you will see the complete list of allocations provided to Fremd by the Booster Club. All of the listed items were made possible due to your continued support.

In addition to the Wish List, the Viking Booster Club awarded \$32,000 in Scholarships to the 2011

Senior Class, and along with our gracious donors covered approximately 55% of the cost of the Post Prom event at Navy Pier, along with luxury transportation to and from the event. By raising funds to support this event, student cost is kept to a minimum so a large number of students are able to attend this safe and memorable event.

Please mark your calendar to attend this year's Booster Club Dinner Dance and Auction to be held on Saturday, November 12, 2011 at Meridian Banquets. The Booster Club Dinner Dance and Auction is our premier fundraiser. Your ticket price includes dinner, dancing and a chance to share in the \$10,000 raffle! Make your reservation now – we guarantee a great night out with many surprises this year – all for a great cause!

What can you do to support the Booster Club? For \$20.00 you can become a member of the Club and partner with us to enhance the educational experience of all Fremd Students. You can also volunteer your time and talent! If you want to get involved, please put your name on our People Power List. As we get closer to the date of each event, our committee chairmen use the People Power List to secure

their volunteers. We would love to have your assistance with Dinner Dance, our winter and spring craft fairs, concession events and the Spirit Shop. This year we will continue to provide support for several of the school sponsored events. Please consider adding your name to our People Power list and volunteering for one or more of Fremd's events. It's a great way to meet new people and support the school at the same time!

To all the parents, administrators, teachers and staff of Fremd High School, please remember that all Fremd students benefit from your involvement and financial support. To those of you who have joined Boosters for 2011-2012, we sincerely thank you for your support. If you have not yet joined, please stop by our table at Open House and become a Viking Booster Club member!

Thank You!

Members Of The Viking Booster Club,

I, along with the rest of the aquatic staff and athletes, wanted to personally thank you for the purchase of our new scoreboard. I know that this is a difficult time for many people, and that the needs of Fremd and its plethora of athletic programs and activities are great. We truly appreciate the scoreboard and the daily use it will see during our practices, swim meets and water polo games from early August through late May. Thank you for helping us not only address a great need within our programs, but also for your generous support these many years.

Sincerely,
Andrew Kittrell, Head Girls Swimming Coach
Brian Newby, Kristen Newby, Kara Waddell
and 80+ members of the Girls Swimming & Diving Teams

Thank You, Viking Booster Club!

On behalf of the Fremd Culinary Club I would like to take this opportunity to thank the Fremd Boosters for their generous granting of our culinary wishes the past two years. Last year, during the 2010-2011 school year, Culinary Club had over 60 individual students participate during at least one meeting. Typically our membership is between 20-30 at a meeting...but as seasons changed and sports began or finished we kept an open door policy so that all students with an interest in cooking (or just eating) could have the opportunity to try us out! Through the Wish List money from the Boosters the Culinary Club is able to provide students with cooking/baking materials at every meeting! Last school year we were able to bring treats to Tamarack Retirement Center in Palatine, provide desserts for overnight guests in the Public Action to Deliver Shelter (P.A.D.S.) program, participate in both the homecoming golf cart parade and the annual Trick or Treat festival, host an iron chef cooking competition, and listen to guest speakers from the community. This year we are looking to add a catering portion to our club for smaller after school events. Without the donation from the Boosters the students would not have been able to participate as much nor would they have had the ability to learn (and try!) as many new recipes!

I thank you Fremd Boosters... thank you so much!
Katie Fedota, Culinary Club Sponsor

The Fremd Booster Club had the privilege of awarding thirty-two \$1000 Scholarships in 2011 due to the generosity and support from the families, friends and staff at Fremd High School.

We will again be awarding scholarships to the Class of 2012. The number of scholarships is dependent upon our fundraising efforts. However, we will continue to recognize students in areas such as leadership, school and community service and school activities. We also provide scholarships for students that are continuing their education at a trade school or community college.

Join the Viking Booster Club and participate in our fun social activities and fundraisers that help to support our Scholarship Program. Here's to the best of 2012! Check the Booster website in the Spring for this year's scholarship applications.
