

September 12, 2011

Dear Parent;

On Wednesday October 12, 2011, all sophomore students will take a special assessment, the PLAN test. The PLAN assessment evaluates progress of sophomore students in English, reading, mathematics, and science reasoning. The assessment results will help teachers to improve the curriculum and their instructional methods. It will be administered in the morning and will require a significant number of staff and an extensive use of school facilities.

Some junior students may be participating in the Preliminary Scholastic Aptitude Test (PSAT) in the morning with the sophomore students taking the PLAN test. These junior students will receive additional information regarding the PSAT in a future mailing.

**To accommodate these needs, the school day schedule will begin after testing at 10:30a.m. for all freshman, junior, and senior students. These students should report to their bus stops at 9:45am.**

School will end at the normal time and afternoon bus transportation will not be affected.

Sincerely,

Principal
