

December, 2011

Dear Parents and Students,

Please accept this invitation to attend the Incoming Freshman Parent & Student Night on Thursday, January 12, 2012. This program begins at 7:00 p.m. At that time, parents and students will learn about each academic department's curriculum, credits, and requirements.

At 7:40 p.m., in the Kolze Auditorium and in various classrooms, parents will learn about the following:

- Orientation to William Fremd High School
- Testing and Placement of eighth graders
- Registration and enrollment procedures

While parents are being acquainted with the counselors and administrative staff, students will be invited to learn more about the activities that Fremd has to offer.

Fremd's administrators, counselors, coaches and club sponsors look forward to interacting with you. We hope that the information you receive at Incoming Freshman Parent Night will help you discuss educational plans with your student and prepare him or her for the high school experience.
