Fremd Boys Soccer Team

Post Prom 2008 is ready to explode at Navy Pier. The Fremd Viking Boosters are thrilled that The Crystal Gardens will again be this year's venue. We know the students are going to have a spectacular experience from start to finish. They will be transported by 20 luxury coaches down to Navy Pier and will dance the night away to the Elite Entertainment and a surprise DJ playing alternative music. Elite Entertainment is an interactive musical extravaganza that has to be seen to be believed. The evening will feature a wonderful array of hors d'oeuvres, desserts, specialty non-alcoholic drinks and a continental breakfast at the close of the evening.

The Viking Booster Club is still working on bus sponsorships and will continue through May 30 in an effort to make this event affordable for all. We would like to acknowledge everyone who has generously contributed to this event so far.

-Fremd Viking Booster Club

Friends of Fremd-

Thank you to the families, sports teams, businesses, Fremd staff and the community for all the support throughout this year! Thanks also to Fremd's Technology and Media Center staff for all of their help in publicizing this event.
